    <h1>CSS background-color example! <br></h1>
    <div>This is a text inside a div element.
        <p>This paragraph has its own background
color.</p>We are still in div element.
        <p><br></p>
    </div>
</body>
</html>
```

```
/* b1.css */
body {
    margin: 0px;
}

h1 {
    background-color: #6495ED;
}

div {
    background-color: #B0C4DE;
    margin-top: -22px;
}

p {
    background-color: #E0FFFF;
}
```

CSS background-color example!

This is a text inside a div element.

This paragraph has its own background color.

We are still in div element.

```
